

# Caving Hours Signoff Sheet

Name: \_\_\_\_\_

This sheet is a very important part of your training. On this sheet should be recorded all the underground time you have spent with the club as a trainee. Remember that you need to have at least 40 hours underground on at least 6 trips to be a member. It never hurts to have more though. Also note that only a member ( associate, active etc..) can sign you off for the hours below. Cave on!

Cave	Date	Member's Signature	Hours	Comments
